SOUTHERN PROVINCE · SRI LANKA

Mirissa and the south coast

Whale-watching boats from Mirissa head out to deep water off Sri Lanka's southern tip, one of the most reliable places in the world to see a blue whale, with spinner dolphins and sea turtles closer in.

70 animals 21 mammals, 34 birds, 7 reptiles and 8 fish **Best time:** Dec to Apr

Seen _____ of 70

BEST TIME

Dec to Apr

The south coast has its calm season from about December to April, when the north-east monsoon blows on the other side of the island.

A guide, not a guarantee: what you see depends on season, luck and patience. Give wildlife space and never feed it. Follow the local rules on distance.
